

Raleigh Pediatric Dentistry

10931 Raven Ridge Road • Suite 105

Raleigh, NC 27614

(919) 845-8212

Dear Parents,

Welcome to Raleigh Pediatric Dentistry! We are pleased that you have selected us for your child's dental care. Your child's appointment is for you and your child to get acquainted with our team, answer any questions you may have, make your child comfortable, and provide a careful and thorough dental examination.

Please read the enclosed information carefully and save it for future reference. It answers many questions you may have about our practice. In order to provide proper and complete care, we must have a health history as part of your child's permanent records. Therefore, please complete the following forms and bring them with you.

Please remember that we request the initial visit fee be paid at the time of the examination. We accept cash, check, or credit card (Mastercard and Visa). If you are interested in one of the financing plans offered by CareCredit, we will be happy to assist you with the application.

Finally, please remember that you play a large part in preparing your child for his/her first visit to the dentist. Try to act relaxed and at ease. Avoid using any words that suggest unpleasantness. We will explain each of our procedures to children in terms they can understand before we perform them. If your child is afraid, be reassuring. Working together, we can overcome any apprehension your child may have. Expect your child to do well and enjoy their visit to our office and chances are they will do just that!

Thank you for choosing our office for your child's dental care. We will strive to treat you and your family as we would our own. Together we can give your child a beautiful smile and a lifetime of dental health.

Sincerely,

Dr. Dave, Dr. Anne and the Raleigh Pediatric Dental Team
